General Information

The exhibit hall at the 2009 SIAM Annual Meeting will be open Monday, July 6, through Thursday, July 9. This meeting is a gathering of applied and industrial mathematicians, computer scientists, engineers, and statisticians from a variety of fields. This meeting provides a forum for attendees to exchange ideas, expand their network, and discuss the latest trends in the mathematical sciences community. We anticipate an attendance of 850–1200.

How will the 2009 SIAM Annual Meeting be Promoted?

Call for Papers

A call for papers is sent to more than 18,000 individuals, including all SIAM members plus members of related societies. The call for papers is posted on the SIAM website at www.siam.org/meetings.

Space Advertising Poster Program

The meetings are advertised in *SIAM News* and other trade publications and conference calendar listings.

A poster promoting the meetings was mailed in July 2008 to approximately 15,000 people and locations, including all SIAM members, academic institutions, federal government agencies, industrial research organizations, and relevant departmental chairpersons.

Program Information

The program information will be posted on the web at siam.org/meetings and promoted in *SIAM News*, on postcards, and via other media.

Promotional Opportunities for Exhibitors

Complimentary visitor passes

Invite your preferred clients and potential customers to visit you at the show. Up to five passes, valued at \$50 each, are available to exhibitors at no charge. The passes allow entry to the exhibit and coffee hall only. Admission to technical sessions requires full registration.

Sponsorship of refreshment breaks and/or receptions

Increase your organization's presence at the SIAM meeting by taking advantage of a sponsorship opportunity. You can provide food, entertainment, a great location for an event, or even needed essentials, like registration bags or internet access! You will be recognized in the program and on signs throughout the meeting for your generosity and support of the meeting and the applied and computational mathematics community. A sponsorship contract is enclosed and is also available online at www.siam.org/meetings/pdf/sponsor09.pdf. For details about specific events please contact Kristin O'Neill (oneill@siam.org) via e-mail.

Exhibit Hall Traffic Builders

Ensure greater traffic flow in the exhibit hall

Coffee will be served daily Monday through Thursday. Coffee will be available only in the exhibit hall on days the hall is open. Exhibitors are encouraged to give away premiums to increase traffic at their booth.

SIAM's 2009 Annual Meeting and the SIAM Conference on Control and Its Applications will be held at the Sheraton Denver Hotel in Denver, Colorado.

With room rates at \$179 per night, this is a good bargain for all SIAM meeting attendees. The rate will be offered three days before and three days after the official conference dates (July 6–9 2009), based on availability, to accommodate those wishing to spend extra time in the area. Don't forget to say you are with the SIAM conference to get the \$179 conference rate.

Room reservations are the responsibility of each participant and should be made by calling the hotel directly or by using the "online reservations" hyperlinks on SIAM's website. The cut-off date for making hotel reservations is June 8. Accommodations after that date will most likely be difficult to obtain due to three SIAM meetings being held concurrently. We strongly suggest that you make your reservations early.

About SIAM

Science and Industry
Advance with Mathematics

The Society for Industrial and Applied Mathematics was founded in 1952 to further the application of mathematics to science and industry, to promote basic mathematical research leading to new methods and techniques useful to industry and science, and to provide media for the exchange of information and ideas between mathematicians and other technical and scientific personnel.

SIAM conducts 10–12 conferences and meetings each year; the Annual Meeting is the largest.

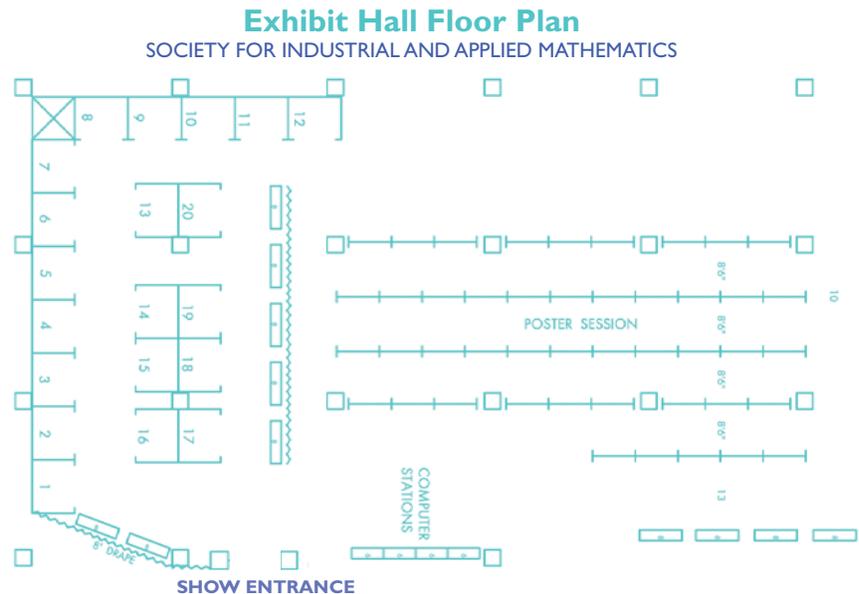

SIAM conferences are centered around specific applications of mathematics. Topics include: dynamical systems, linear algebra, optimization, simulation, parallel processing, geometric design, and others. Every SIAM conference provides exhibitors with an opportunity to display their materials on tabletops. The annual meeting is currently the only meeting to include a traditional exhibit hall with booths.

Advertising is accepted in many SIAM publications. The most popular among advertisers is SIAM News.

Each issue of *SIAM News* contains articles and information, a calendar of events, professional opportunity ads, and much more. Other vehicles available for advertising are SIAM's 14 journals (12 print, 2 online) and the final programs for each SIAM conference.

LIABILITY: Upon approval of this contract by an authorized Exhibitor representative, it is expressly understood that the Exhibitor has read and agreed to abide by the SIAM liability policies outlined below.

The Society of Industrial and Applied Mathematics, hereinafter referred to as SIAM, and all organization and individuals who are employed by or associated with it, in connection with this Exhibition, will not assume responsibility and shall be held harmless by all exhibitors for damage or loss resulting from fire, theft, or any other cause whatsoever, including accident or injury to exhibitor, their employees and agents, the public, or others. The exhibitor agrees to pay promptly for any and all damages to the exhibition building or its equipment incurred through carelessness, or otherwise, of exhibitor or his employees or agents.

LOCATION: SIAM reserves the right to determine final placement of the exhibitor.

TRANSPORTATION/SETUP: All transportation costs, and any other costs related to exhibit setup not explicitly offered above by SIAM, are to be paid by the Exhibitor. The address and date by which all materials must be sent will be available at a later date.

LOSSES: SIAM will not take responsibility for damage to exhibitor's property or lost shipments either coming in or going out, nor for moving costs. Damage to inadequately packed property is exhibitor's own responsibility. If exhibit fails to arrive, exhibitor is nevertheless responsible for the exhibit space reserved as per this contract. SIAM cannot be held responsible for loss or damage to any exhibitor's property. Exhibitors are advised to insure against these risks.

MUSIC LICENSING: No copyrighted music may be played in the exhibition area in any fashion (including but not limited to: background music on video or audio tape presentations) without appropriate licensing. The exhibitor is solely responsible for obtaining these licenses for music originating in the exhibitor's booth/display area. The exhibitor is also responsible for any fines, court fees, and all other costs that may arise from failure to comply with these licensing requirements.

CANCELLATION/SPACE REDUCTION: Any cancellation, space reduction requests, or requests for changes of this contract must be made in writing and forwarded to SIAM at: 3600 Market Street, 6th Floor, Philadelphia, PA 19104-2688. - More than 30 days and less than 89 days before show start date: 50% of booth fee is forfeited.
- Less than 30 days before show start date: No refund.

In the event of cancellation or reduction of contracted space, and subject to the above cancellation charges schedule, SIAM shall retain the right to resell canceled space without rebate or allowance to the exhibitor.

TERMINATION OF EXHIBITION: In the event that the premises in which the Exhibition is or is to be conducted shall become, in the sole discretion of SIAM, unfit for occupancy, or in the event the holding of the Exhibition or the performance of SIAM under the Exhibit Reservation Contract (of which these Rules and Regulations are a part) are substantially or materially interfered with by virtue of any cause or causes not reasonably within the control of SIAM, said Contract and/or the Exhibition (or any part thereof) may be terminated by SIAM. SIAM shall not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions arising by virtue of cause or causes not reasonably within the control of SIAM.

If SIAM terminates said Contract and/or the Exhibition (or any part thereof) as aforesaid, then SIAM shall not be liable to the exhibitor other than for a prorated refund of such exhibitor's space price payment determined on the basis of the number of exhibit days remaining. For purposes hereof, the phrase "cause or causes not reasonably within the control of SIAM" shall include, but not by way of limitation: fire, casualty, flood, epidemic, earthquake or inclement weather; explosion or accident; blockade or embargo; governmental restraints; restraints or orders of civil defense or military authorities; act of public enemy, riot, or civil disturbance; strike, lockout, boycott, or other labor disturbance; inability to secure sufficient labor, technical, or other personnel; failure, impairment, or lack of adequate transportation facilities; inability to obtain, or condemnation, requisition, or commandeering of necessary supplies or equipment; local, state, or Federal law, ordinances, rule, order decree, or regulation, whether legislative, executive, or judicial, and whether constitutional or unconstitutional; or Acts of God.
